Office of the Superintending Engineer / Project Circle (City), Tamil Nadu Housing Board, Chennai

For and on behalf of the TNHB invites submission of online bids for the work of **Providing Essential Service for the period from 21.07.2026 to 31.03.2027 for the Annual Maintenance of New TNHB Head Office Building (A & B Wing) at Commercial Complex in Pocket 6 (2BF + GF +7 Floors), CIT Nagar 1st Main Road, Chennai for the year 2026-27** from the eligible bidders through Tamil Nadu Government e - Procurement system website https://tntenders.gov.in from 09.07.2026 @ 12.00 P.M upto 15.07.2026 @ 12.00 P.M.

The Tender should be in the prescribed form obtainable from TN e-tender portal. The tenders will be opened by the Superintending Engineer, Tamil Nadu Housing Board or his delegate at the place on the date afore mentioned.

Tenders must be submitted attested Income tax certificate, GST registration certificate, and contractor registration certificate, experience certificate, ESI and EPF live certificate with recent paid receipt, acknowledged tender documents and BoQ etc., in TN e-tender online portal by single / double covers system.

If the tender is made by an individual it shall be signed with his full name and his address shall be given. If it is made by a member of the firm, it shall be signed with the co-partnership name by a member of the firm who shall also sign his own name, and the name address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by duly authorised officer, who shall produce with his tender, satisfactory evidence of his authorization. Such tendering corporations may be required before the contract is executed, to furnish evidence of its corporate existence.

1. Each tenderer must also send a certificate of Income Tax from the appropriate income tax Authority in the form prescribed therefore. This certificate will be valid for one year from the date of issue for all tenders submitted during the period.

   In the case of proprietary and partnership firm it will be necessary to produce the certificate aforementioned for the proprietors and for each of the partners as the case may be.

   If the tenderer is a registered contractor and if a certificate for the current year had already been produced by him during the calendar year in which the tender is made it will be sufficient if particulars regarding the previous occasion on which the said certificate was produced are given.

   All tenders received without certificate as aforementioned will be summarily rejected.

CONTRACTOR **NO. OF CORRECTIONS** **SUPERINTENDING ENGINEER / PC (C)**

2. Tenderer should have submitted experience certificate from the Government Department.

3. Earnest Money Deposit of a sum **Rs.42,000.00 (Rupees Forty Two Thousand only)** should be paid only through online in the gateway provided at the https://tntenders.gov.in web portal. The earnest money will be retained in the case of the successful tendering and will not carry any interest it will be dealt with as provided for in the tender.

4. The tenderer whose tender is under consideration shall attend the office before the end of the period specified. If the tenderer fails to attend in the specified period, his tender will not be considered. He shall forth with, upon and intimation being given to him of acceptance of his tender by the officer authorized, make security deposit of 2% of the value of contract in one of the forms prescribed in TNHB by taking into account of the amount of earnest money deposit already deposited with the tender, it would be sufficient to pay the balance amount to make up the two percent of the value of contract for the purpose of security deposit. The security deposit together with earnest money deposit and the amount withheld according to clause 64-1 of General conditions to the contract, shall be retained as security for due fulfillment of contract. Failure to enter into the required agreement or to the make the Security deposit as defined in this paragraph shall entail forfeiture of the earnest money. The written agreement to be entered into between the contractor and the Executive Engineer& Ado shall be foundation of the rights of the both the parties and the contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by proper officer authorised to enter into contracts on behalf of the Housing Board.

5. The tenderer shall examine clearly the TNBP and also General Condition of and sign the copy of the TNBP and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished work in site. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tender. The Tamil Nadu Building Practice and other documents connected with the contract such as specifications plans descriptive specifications sheet regarding materials etc., can be seen at any time between 11.00 a.m. and 4.00 p.m. on office of the Superintending Engineer aforementioned.

6. The tenderer ‘s attention is directed to the requirement for materials under the clause “Materials and workmanship” in the Preliminary. Materials confirming to the Indian Standards Specifications shall be used on the work and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates to inspect the site of the proposed work. He should also inspect quarries, and satisfy himself about the quality and availability of materials. In every case the materials must comply with the relevant standard specification. Samples of materials as called for the standard specifications or in this tender notice or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun.

8. The Tamil Nadu Housing Board will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the "Preliminary Specification" regarding payment of seigniorage tools etc.

9. The Tender's particular attention is drawn to sections and clause in the Standard "Preliminary Specification" dealing with.

1.Test, Inspection and rejection of defective materials and work.
2.Carriage
3.Construction plant
4.Water and Lighting
5.Cleaning up during progress and for delivery
6.Accidets
7.Delays
8.Particulars of payment

To be struck out if such copies are not be issued for sale.

The contractor should closely peruse all the specification clause which govern the rate which he is tendering.

10. A Schedule of quantities accompanies this tender notice. It shall be definitely understood that the Superintending Engineer, aforementioned does not accept any responsibility for the correctness or completeness, of this schedule and that this schedule is liable to alterations by omissions, deductions or additions at the discretion of the Executive Engineer, Tamil Nadu Housing Board or as set forth in the conditions of contract. The tenderer will however base his lump sum tender on this schedule of quantities. He should quote specific rates for each item in the Schedule and the rates should be in Rupees and Paise.

11. Tenders offering percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lumpsum amounts for items not called for shall not be included in the tender. No alteration which is made by tenderer in the contract from the conditions of contract, the drawings, specification, quantities accompanying same will be recognized and if any, such alterations are made the tender will be avoided.

12. The tenderer should work out his own rates without reference being made to the Tamil Nadu Housing Board current schedule of rates or to the estimate rates which are not open for inspection by tenderers.

13. The attention of the tenderers is directed to the contract requirements as to time of beginning work, the rate of progress and the dates for the completion of the whole work and its several parts, the following rate of progress and of proportionate value of work done from time to time. As will be indicated by the Executive Enginner's certificates of the value of work done will be required. Date of commencement of this programme will be the date on which the site (for premises) is handed over to the contractor.

Period after date of commencement	Percentage of work completed (based on contract lump-sum amount)
21.07.2026 to 31.03.2027	**- 100% of the work to be completed**

Note : The period to be entered in Column (1) for the purpose of defining the rate of progress may be fixed by Executive Engineer to suit each case.

14. No parts of the contract shall be sublet without written permission of the Superintending Engineer, not shall transfer be made by power of attorney authorised to receive payment on the contractor's behalf.

15. If further necessary information is required, the Superintending Engineer of the Tamil Nadu Housing Board will furnish such but it must be clearly understood that tenders must be received in order, and according to instructions.

16. The Superintending Engineer or other sanctioning authority reserves the right to reject any or all the tenders without assigning any reason therefore.

CONTRACTOR NO. OF CORRECTIONS SUPERINTENDING ENGINEER / PC (C)

17. Preference in the selections from among the tenders will be given. Other things equal, to those who are themselves professionally qualified or who undertake to employ qualified men at their cost to look after the work. The tenderers should therefore state in clear terms whether they are professionally qualified or whether they undertake to employ technical staff and if so to give their professional qualifications or of the staff to be employed. In case the selected tenderer is one who has undertaken to employ technical staff under him he should see that one of the staff is always at site of the work during hours personally checking all items of work and paying extra attention to such works as may demand special attention e.g., reinforced concrete works etc.,

18. A tenderer submitting a quotation which the tender accepting authority considers excessive and / or indicate of the insufficient knowledge of current prices or definite attempt at profiteering will tenderer himself liable to be debarred permanently from tendering or for such period as the tender accepting authority may decide.

19. The fact of submitting the tender implies that the tenderers actually inspected the site of works and have examined before tendering the nature and extend of various kinds of soils at various depth and have based their tenders on such examination by them and no future representation in this regard will be consideration.

20. A statement giving brief particulars of equipment and resources that will be put at the disposal of the work under the following classifications should accompany the tender.
